# About CellCore

# From Pain to Purpose: Meet CellCore Founders Dr. Todd Watts and Dr. Jay Davidson

**In 2017, two doctors sitting at a dinner table decided to go all-in on starting a supplement company. Not just any supplement company, but one that could provide truly effective, lasting solutions to support the body at the root level – as it naturally heals from common health imbalances.**

When Dr. Todd Watts and Dr. Jay Davidson met, they'd both had experiences with chronic illness.

For Dr. Davidson, it was his wife who nearly lost her life to Lyme disease. For Dr. Watts, it was his 10+ year struggle with the Epstein-Barr virus, Lyme disease, allergies, arthritis, chronic fatigue, memory loss, and more. All of these symptoms surfaced before he turned 40.

Even with temporary relief, there were cyclical patterns that came with trying to heal: Feeling good for a short period of time, then crashing a few days or weeks later. It seemed impossible to get well and stay well. A stronger foundation was needed to support the body, as it innately

knows how and is always trying to heal.

After years of trial and error Dr. Watts discovered the underlying root of his symptoms and made a full recovery. Dr. Davidson's wife also finally regained her health. They knew there were so many others they could help who were also seeking answers to similar struggles. In June 2017, Dr. Todd Watts and Dr. Jay Davidson partnered and founded CellCore Biosciences.

Today, our focus remains the same: to provide supplements that support the body at the root level, with ingredients that allow the body to do what it's designed to: **Heal.**

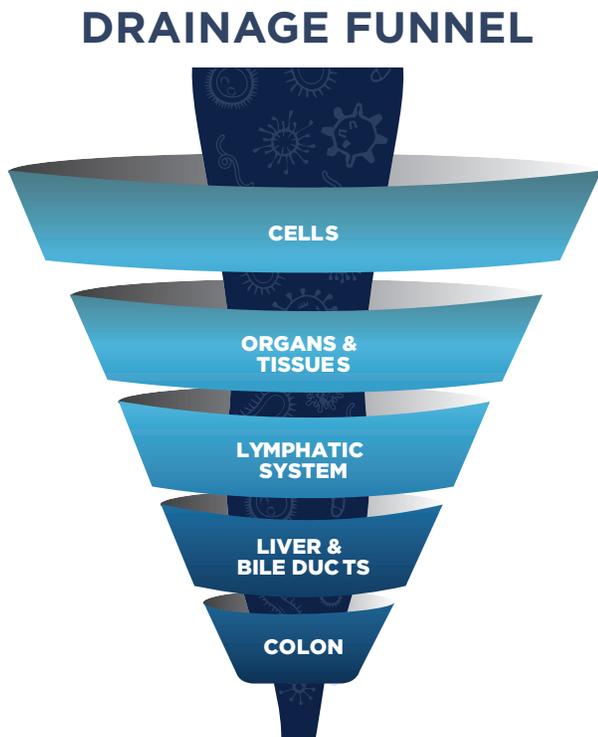

# Foundational Medicine and The Roadmap to Health

## Why Our Supplements are Designed to be Taken in a Specific Order

Foundational medicine is the missing piece in many healthcare practices. The heart of Western medicine is to treat symptoms with pharmaceuticals. The heart of Functional medicine is to address vitamin and mineral deficiencies, nutrition, emotional health, and exercise. However, **Foundational medicine** comes before everything, because it addresses three key areas - in a specific order - that lay the foundation for the body to naturally heal, detoxify, and promote optimal wellness:

**1**

Supporting Mitochondrial function

**2**

Supporting the proper functioning of the body's drainage pathways, or what we refer to as the drainage funnel:

**3**

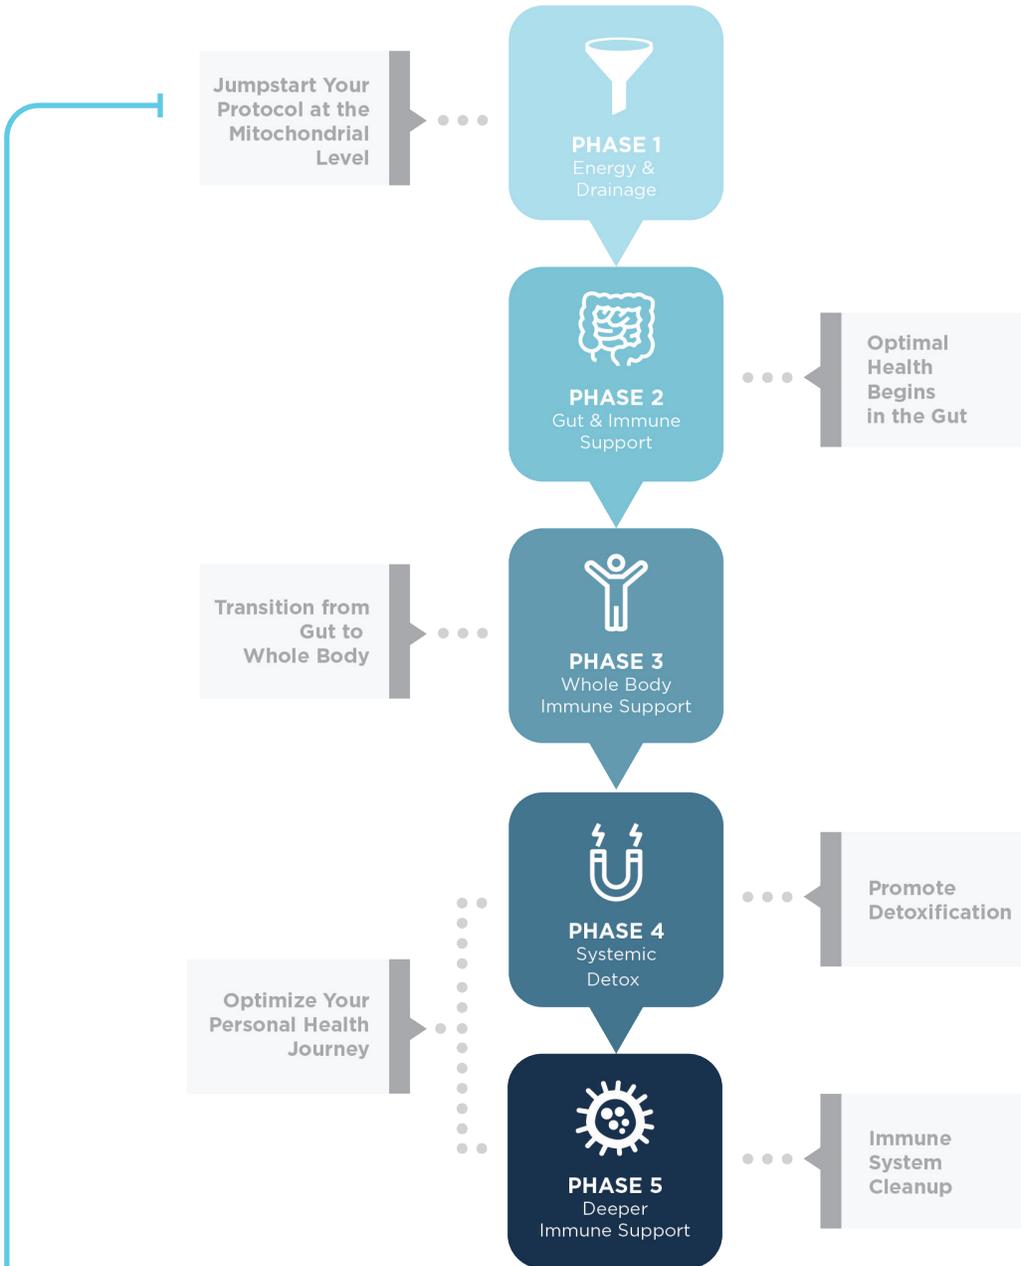

Supporting the body's natural ability to detoxify

We call this specific sequence the Roadmap to Health. All of our products and customizable protocols follow this order.

# Roadmap to Health

There is a proper order to follow for getting well. Protocol order is important. The roadmap to health breaks the order down into 5 phases.

*This content is provided for informational and educational purposes only, and is not intended as, and should not be construed to be, medical or consulting advice. Physicians and other qualified health care practitioners should exercise their professional judgment in connection with the provision of services. Patients should consult their individual health care provider for specific treatment advice.*

# Foundational Medicine

Foundational medicine focuses on upregulating the mitochondrial function necessary for every cell, organ, and tissue in the body. This is what lays the groundwork for optimal health and allows the body to do what it was designed to do: **Heal.**

Our primary focus of addressing the underlying root cause of health issues avoids the common trap of **this symptom = this supplement** or **this lab marker = this supplement**. Instead, we support the underlying mitochondrial dysfunction that's at the root of many common health complaints today.

Mitochondria “turn on” and signal for every organ to work and function. They play a massive role not just in your energy levels, but your ability to detoxify, digest food, eliminate, support immunity, heal and repair, remember information, and so much more. If mitochondria are damaged, the entire body is impacted.

That is why our approach at CellCore Biosciences is built on this premise: First support the mitochondria, then promote the body's natural detoxification processes and the removal of stressors.

# BioActive Carbon®

## The Driving “Force” Behind Patient Results

An effective binder is the missing link in any health protocol and routine. We’re dedicated to making products that support long-term health – and our proprietary ingredient, BioActive Carbon, plays a central role in that mission.

Many supplements never work as intended because they cannot navigate the body’s internal environment. BioActive Carbon is in the vast majority of CellCore products to help overcome this obstacle.

## What is BioActive Carbon®

BioActive Carbon is a proprietary blend of soil-derived fulvic acids that’s added to our supplements. This blend of fulvic acids acts as a binder, driver, and protector that supports the body at the cellular level.

# Product Categories

## Formulated with BioActive Carbon®

BioActive Carbon is our proprietary blend of fulvic acids that support cellular repair and the body's natural ability to detoxify.\*

All of our supplements are formulated with BioActive Carbon with the exception of Para 1®, IS-BAB, IS-BART, IS-BOOST™, and IS-BORR.

# The Science Behind the Binders

- Amphoteric (gives or receives an electron/proton)
- Available energy for chemical reactions
- Aids in the balancing of minerals (including copper, iron, etc.)
- Contains polyelectrolytes and polyanions
- Supports the digestive tract
- Travels systemically through the body
- Supports cellular energy
- Aids nutrient/vitamin retention, absorption, and utilization
- Provides C, H, and O (building blocks to the body)
- Assists with tissue repair and cellular processes
- Selective binder
- Transmutates elements
- True chelator
- Aids upregulation of cellular respiration

# Drainage Products

## KL-Support™

As an integral part of the body's cleaning and filtering system, healthy kidney and liver function is essential to good health — especially while promoting periods of cleansing.

KL-Support combines herbs and nutrients traditionally used to support kidney and liver health, including beetroot, gynostemma extract, marshmallow root, milk thistle seed, N-Acetyl Cysteine, and parsley leaf.\* Together, these support fat metabolism, hepatic blood flow, and healthy urinary tract and bladder function, while helping the body carry out its natural detoxification processes.\*

### Supplement Facts

Serving Size 2 Capsules  
Servings Per Container 60

#### Amount Per Serving

<b>KL-Support Blend</b>	810 mg†
N-Acetyl Cysteine, Milk Thistle ( <i>Silybum marianum</i> ) (seed), Gynostemma Extract ( <i>Gynostemma pentaphyllum</i> ) (stem, leaf, root), Gromwell ( <i>Lithospermum erythrorhizon</i> ) (root), Marshmallow ( <i>Althaea officinalis</i> ) (root), Parsley ( <i>Petroselinum crispum</i> ) (leaf), Beet Root ( <i>Beta vulgaris</i> ), BioActive Carbon® Technology BC1 [Humic Shale (containing Fulvic Acid)]	

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule), L-Leucine, Microcrystalline Cellulose, Silica.

## Drainage Activator

Drainage Activator is a breakthrough drainage support supplement that focuses on a key area of the body that's never been addressed: The extracellular matrix (ECM).

The ECM is comprised of fluids that live between your cells. This area is not only vital to cellular health and energy production but plays a key role in lymphatic drainage and movement, as well as gut and liver health.

This formulation includes six adaptogenic mushrooms and numerous herbs proven to assist the body's natural drainage and detoxification processes\*, including manjistha, olive leaf, Nigella sativa, gotu kola, and St. John's Wort.

### Supplement Facts

Serving Size 2 Capsules  
Servings Per Container 60

#### Amount Per Serving

<b>Drainage Activator Blend</b>	950 mg†
Manjistha ( <i>Rubia cordifolia</i> ) (root), Olive Extract ( <i>Olea europaea</i> ) (leaf), Gotu Kola ( <i>Centella asiatica</i> ) (stem, leaf), Black Cumin ( <i>Nigella sativa</i> ) (seed), St. John's Wort Extract ( <i>Hypericum perforatum</i> ) (aerial parts), BioActive Carbon® Technology BC2 [Humic Shale (containing Fulvic Acid), Citric Acid], Cordyceps ( <i>Cordyceps militaris</i> ), Reishi ( <i>Ganoderma lucidum</i> ), King Trumpet ( <i>Pleurotus eryngii</i> ), Shiitake ( <i>Lentinula edodes</i> ), Lion's Mane ( <i>Hericium erinaceus</i> ), Turkey Tail ( <i>Trametes versicolor</i> )	

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule), Microcrystalline Cellulose, Silica, Acacia Gum.

## Advanced TUDCA

Supporting bile production is essential when it comes to promoting the body’s natural ability to detoxify.\*

TUDCA (Tauroursodeoxycholic acid) is a water-soluble bile acid that’s naturally produced by the body and found in liver bile. When taken as a supplement, it helps stimulate the release of bile into the digestive tract. This supports healthy digestion and drainage, the body’s natural detoxification processes, and the health of the liver bile duct system.\*

**Note:** Many TUDCA supplements are sourced from animal bile. For purity and ethical reasons, Advanced TUDCA is synthetic.

### Supplement Facts

Serving Size 1 Capsule  
Servings Per Container 60

#### Amount Per Serving

<b>Advanced TUDCA Blend</b>	350 mg†
TUDCA (Tauroursodeoxycholic Acid), N-Acetyl-L-Cysteine, BioActive Carbon® Technology BC1 [Humic Shale (containing Fulvic Acid)]	

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule), Microcrystalline Cellulose, L-Leucine Complex, Silica.

## Bowel Mover™

Bowel Mover is a natural digestive aid that gently promotes bowel movements, supports intestinal health, peristalsis, and proper digestive function.\*

Twelve herbs and botanicals in this proprietary blend — including clove bud, fennel seed, garlic bulb, senna leaf, and wormwood — are formulated in specific ratios for maximum efficacy. They work together to increase water absorption in the stool and support normal digestive, intestinal, and stomach function.\*

### Supplement Facts

Serving Size 1 Capsule  
Servings Per Container 90

#### Amount Per Serving

<b>Bowel Mover Blend</b>	620 mg†
Aloe Vera Leaf ( <i>Aloe barbadensis</i> ), Cascara Sagrada Bark ( <i>Rhamnus purshiana</i> ), Chinese Rhubarb Root ( <i>Rheum officinale</i> ), Barberry Root Extract ( <i>Berberis vulgaris</i> ), Ginger Root ( <i>Zingiber officinale</i> ), Black Walnut Hull ( <i>Juglans nigra</i> ), Senna Leaf Extract ( <i>Cassia angustifolia</i> ), Wormwood ( <i>Artemisia annua</i> ) (leaf, stem), Garlic Bulb ( <i>Allium sativum</i> ), Clove ( <i>Syzygium aromaticum</i> ) (bud), Fennel Seed Extract ( <i>Foeniculum vulgare</i> ), Cayenne Pepper ( <i>Capsicum annum</i> ) (fruit), BioActive Carbon® Technology BC1 [Humic Shale (containing Fulvic Acid)]	

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule), Acacia Gum, L-Leucine, Microcrystalline Cellulose, Silica.

**Contains Tree Nuts (Walnut).**

## LymphActiv®

LymphActiv offers a powerful blend of herbs to support the body’s natural detoxification processes and lymphatic motion needed to support drainage — including astragalus root, red clover extract, burdock root, bitter melon extract and cleavers.\*

Together, these botanicals also support healthy adrenal and liver function, immunity, and mental clarity.\*

<b>Supplement Facts</b>	
Serving Size 1 Capsule	
Servings Per Container 60	
<b>Amount Per Serving</b>	
<b>LymphActiv Blend</b>	400 mg†
Peptidase, Mullein (Leaf), Organic Astragalus (Root), Red Clover Extract (Stem, Leaf), Organic Burdock (Root), Cellulose, Bitter Melon 10:1 Extract (Fruit), Magnesium Glycinate Complex, Cleavers (Stem, Leaf), Zinc Gluconate, BioActive Carbon® Technology BC1 [Humic Shale (containing Fulvic Acid)]	
† Daily Value not established.	

Other Ingredients: Vegetable Cellulose (Capsule), Microcrystalline Cellulose, Silica.

# Binders

## BioToxin Binder®

BioToxin Binder aids the body’s natural ability to detoxify.\* It lends increased support to the gut microbiome, which optimizes immunity and digestive function.\* The addition of BioActive Carbon Technology also supports cellular repair and increased energy production.\*

BioToxin Binder is an ideal first-step detoxification support supplement. We recommend taking it prior to Carboxy, HM-ET Binder, or ViRadChem Binder.

## HM-ET Binder®

HM-ET Binder aids the elimination of toxic heavy metals and environmental toxins.\* Mercury, aluminum, lead, glyphosate, and BPAs are just a few examples that are encountered in day-to-day, modern life. These toxins accumulate over time, damaging the terrain of our bodies and hindering mitochondrial function. HM-ET Binder is primarily designed for clients who are in the intermediate stages of promoting detoxification.

<b>Supplement Facts</b>		
Serving Size 2 Capsules		
Servings Per Container 60		
	<b>Amount Per Serving</b>	<b>% Daily Value</b>
Molybdenum	20 mcg	44%
(as molybdenum glycinate chelate)		
<b>BioToxin Binder Blend</b>	650 mg	†
BioActive Carbon® Technology BC3 (Humic Shale [containing Humic & Fulvic Acid], Citric Acid), Broccoli Sprout Extract ( <i>Brassica oleracea</i> ), Yucca Root ( <i>Yucca schidigera</i> )		
† Daily Value not established.		

Other Ingredients: Vegetable Cellulose (Capsule), Microcrystalline Cellulose, L-Leucine, Silica.

<b>Supplement Facts</b>	
Serving Size 1 Capsule	
Servings Per Container 120	
	<b>Amount Per Serving</b>
<b>HM-ET Binder Blend</b>	390 mg†
BioActive Carbon® Technology BC4 [Humic Shale (containing Humic & Fulvic Acid)], Broccoli Sprout Extract ( <i>Brassica oleracea</i> ), Micronized Zeolite Clinoptilolite	
† Daily Value not established.	

Other Ingredients: Vegetable Cellulose (Capsule), L-Leucine, Silica, Microcrystalline Cellulose.

## ViRadChem Binder™

ViRadChem Binder promotes the body's natural ability to detoxify while supporting cellular repair.\* Acai, artichoke leaf, broccoli leaf, and wheatgrass are added to lend increased support to the body's free radical scavenging systems.

ViRadChem Binder is an ideal second-step detox support supplement.\* We recommend taking it after BioToxin Binder, and before Carboxy and HM-ET Binder.

## Carboxy®

Carboxy is a binder that promotes the body's natural detoxification processes and supports a balanced gut microbiome.\*

It contains short- and long-chain carbons, which can travel to different parts of the body, beyond the gut. This makes Carboxy an ideal detox support supplement for whole body wellness.\*

The addition of BioActive Carbon Technology promotes increased cellular energy production and repair.\*

Carboxy is our most potent binder. It's primarily designed for patients who are in the intermediate stages of promoting detoxification.\* Because of this, Carboxy is typically recommended after a patient has already introduced BioToxin Binder, ViRadChem Binder, or HM-ET Binder to their routine.

### Supplement Facts

Serving Size 2 Capsules  
Servings Per Container 60

#### Amount Per Serving

<b>ViRadChem Binder Blend</b>	650 mg†
BioActive Carbon® Technology BC3 [Humic Shale (containing Humic & Fulvic Acid), Citric Acid], Broccoli Sprout Extract ( <i>Brassica oleracea</i> ), Olive Leaf Extract ( <i>Olea europaea</i> ), Pomegranate Fruit ( <i>Punica granatum</i> ), Bromelain (from pineapple), Artichoke Leaf Extract ( <i>Cynara scolymus</i> ), Acai Fruit Extract ( <i>Euterpe oleracea</i> ), Mulberry Leaf Extract ( <i>Morus alba</i> ), L-Citrulline, Micronized Zeolite Clinoptilolite, Wheat Grass ( <i>Triticum aestivum</i> ), Blueberry Fruit ( <i>Vaccinium angustifolium</i> ), Astaxanthin (from <i>Haematococcus pluvialis</i> )	

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule), Acacia Gum, L-Leucine, Silica.

### Supplement Facts

Serving Size 1 Scoop (750 mg)  
Servings Per Container About 106

#### Amount Per Serving

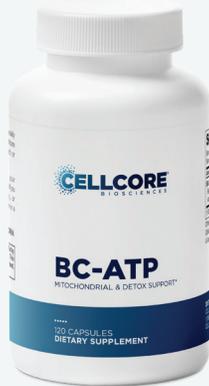

<b>Carboxy Blend</b>	750 mg†
BioActive Carbon® Technology BC4 [Humic Shale (containing Humic & Fulvic Acid)]	

† Daily Value not established.

Other Ingredients: None.

# Mitochondrial Support & Cellular Vitality

## BC-ATP®

BC-ATP is our most powerful supplement for supporting mitochondrial function.\*

When the body has the nutrients it needs to support mitochondria and ATP output, patients can experience improved cognitive function, mental clarity and focus, and sustained physical energy.\*

The highly charged organic acids support metabolism and the ATP cycle in being at peak efficiency.\* These carbons also assist in the body's natural detoxification processes, contribute to a balanced gut microbiome, aid cellular renewal, and support immune health.\*

### Supplement Facts

Serving Size 2 Capsules  
Servings Per Container 60

#### Amount Per Serving

**BC-ATP Blend** 550 mg†  
BioActive Carbon® Technology BC2 (Citric Acid, Humic Shale [containing Fulvic Acid])

† Daily Value not established.

Other Ingredients: Acacia Gum, Vegetable Cellulose (Capsule), Microcrystalline Cellulose, L-Leucine, Silica.

## Core Nutrients

Core Nutrients is a precision-engineered, highly bioavailable vitamin, mineral, antioxidant, and cofactor support supplement that empowers rebuilding, repairing, and restoring cellular health.\* This formula is designed to deliver the synergistic benefits of its health-promoting nutrient ingredients.\* Support from Core Nutrients replenishes depleted nutrient reserves and promotes whole-body health and balance by establishing a cellular foundation of optimal energy production, detoxification, and cellular resilience.\*

Core Nutrients was meticulously formulated to help replenish depleted systems, repair cellular damage, and restore the body's balance and resilience.\* Core Nutrients is not a conventional multivitamin or detox supplement. It is designed to promote rebuilding, restoration, and fortification so the body can adapt, recover, and thrive despite modern-day internal and external challenges.\*

### Supplement Facts

Serving Size 2 Capsules  
Servings Per Container 60

	Amount Per Serving	% DV
Vitamin A (as beta-carotene)	960 mcg	107%
Vitamin C (as ascorbic acid)	180 mg	200%

Boron (as boron glycinate)	1 mg	†
Vitamin K2 (as menaquinone-7)	100 mcg	†

† Daily Value (DV) not established.

Other Ingredients: Vegetable Cellulose (Capsule), Leucine Complex, Silica, Microcrystalline Cellulose.

## CT-Minerals

CT-Minerals are a convenient way to help support your body's daily micronutrient needs for optimal cognitive function, energy production, immune function, mental clarity, nervous system support – and to enhance your overall feeling of well-being.\*

Each capsule provides minerals derived from fulvic acid, which is sourced from the soil and decomposed plant life. Fulvic acids naturally contain trace minerals and are typically easier for the body to digest, absorb, and utilize.\*

In addition to their trace mineral content, fulvic acids help nourish the gut microbiome, support gut function, and may help assist nutrient absorption from other foods and supplements.\*

### Supplement Facts

Serving Size 1 Capsule  
Servings Per Container 60

	Amount Per Serving	% Daily Value
Magnesium	25 mg	6%
(as Magnesium Malate, Magnesium Acetyl-Taurate)

† Daily Value not established.

Other Ingredients: Microcrystalline Cellulose, Vegetable Cellulose (Capsule), L-Leucine, Silica.

## D3+K2 Pro™

Addressing specific core nutrient deficiencies sets the stage for long-term wellness amidst environmental and nutritional challenges. D3 + K2 Pro™ supports optimal metabolic health, cellular health, and detoxification.\* Master vitamins D3 and K2 support calcium utilization, bone health, immune function, and energy production.\* D3 + K2 Pro™ provides these vitamins in highly bioavailable form to support the health needs of individuals experiencing fatigue, poor bone health, metabolic challenges, immune issues, and more.\*

### Supplement Facts

Serving Size 1 Capsule  
Servings Per Container 60

	Amount Per Serving	% DV
Vitamin D	125 mcg (5,000 IU)	625%
(as cholecalciferol, D3)		
Vitamin K2	180 mcg	†
(as menaquinone-7)		
<b>BioActive Carbon® Technology BC1</b>	10 mg	†
Humic Shale (containing Fulvic Acid)		

† Daily Value not established.

Other Ingredients: Microcrystalline Cellulose, Vegetable Cellulose (Capsule), Leucine Complex, Silica.

## GlyNActive™

GlyNActive™ is a revolutionary glutathione activator that supports the endogenous replenishing and optimizing of glutathione levels.\* This innovative formula combines bioavailable precursors, synergistic cofactors, and next-level detoxification support to neutralize toxins, assist the body's natural inflammatory responses, and promote cellular balance.\* This targeted support for detoxification and antioxidant defenses sets a new benchmark for addressing oxidative stress and toxin overload, promoting whole-body health and resilience at the core level.\*

## Methyl-B Complex

Methyl-B Complex is an innovative, precision-engineered solution that supports restored methylation, energy production, and cellular detoxification.\* This formula blends bioavailable, methylated nutrients, essential cofactors, and BioActive Carbon® Technology to support key methylation, redox balance, and energy metabolism pathways.\* Methyl-B Complex is formulated to succeed where traditional supplements fail by providing bioactive nutrients and supporting the body's underlying biochemical needs.\*

Methyl-B Complex provides the nutrients needed to support efficient methylation and detoxification while clearing blocks to energy production and foundational wellness.\*

## MitoActive™

MitoActive™ is a groundbreaking supplement designed to support cellular and whole-body energy and vitality.\* It is formulated with essential nutrients that aid mitochondrial biogenesis, optimized energy production, and cellular detoxification.\* Mitochondria are the cellular powerhouses that drive energy production and health resilience. MitoActive™ supports these tiny energy-producing cellular organelles, ensuring they are renewed and maintained in the face of daily threats, including environmental toxins, chronic stress, nutrient-depleted diets, and more.\*

## TriMag Complex™

TriMag Complex™ is a triple-action magnesium supplement with synergistic cofactors that fuel ATP production, support cardiovascular and nervous system health, and enhance detoxification.\* It empowers the body to thrive at the cellular level.\* This highly bioavailable formula is optimized for efficacy, superior absorption, and utilization within the body.\*

Tri-Mag Complex™ is a comprehensive formula for promoting repair and restoring balance. When cellular energy production and function are optimally supported, the body operates at peak wellness and performance, ready to meet life's challenges with calm, clarity, and vitality.\*

# System Support

## CT-Biotic

CT-Biotic is a blend of spore-forming and non-spore-forming bacteria combined with BioActive Carbon Technology. It provides 11 bacterial strains that are essential for supporting detoxification, digestive function, and immunity.\*

The addition of BioActive Carbon sets CT-Biotic apart from other probiotic supplements.

As a blend of fulvic and humic acids, Carbon Technology helps protect all bacterial strains from being destroyed or damaged by stomach acid, so that cultures are still intact by the time they reach the lower GI tract.

## CT-Zyme™

Support digestive function, nutrient absorption, energy production, and immunity with CT-Zyme.\*

This proprietary blend of 11 digestive enzymes — including amylase, beta glucanase, bromelain, and cellulase — assist the body in digesting high-fiber and nutrient-dense foods, such as beans, fruit, grains, lentils, and vegetables.\*

Each enzyme in CT-Zyme functions at a specific pH, which makes the enzymes effective at every stage of digestion as it passes through the gastrointestinal tract.

When taken with meals, CT-Zyme acts as a digestive enzyme. When taken 1-2 hours away from food, it acts as a proteolytic enzyme.

### Supplement Facts

**CT-Zyme Blend** 800 mg†  
Amylase (*Aspergillus oryzae*), Protease 4.5 (*Aspergillus oryzae*), Phytase (*Aspergillus niger*), Beta Glucanase (*Trichoderma reesei*), Xylanase (*Trichoderma sp.*), Bromelain (*Ananas comosus*), Cellulase (*Trichoderma reesei*), Pectinase (*Aspergillus niger*), Alpha Galactosidase (*Aspergillus niger*), Hemicellulase (*Aspergillus niger*), Lipase (*Rhizopus oryzae*)

**BioActive Carbon® Technology BC4** 10 mg†  
Humic Shale (containing Humic & Fulvic Acid)

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule), Silica, L-Leucine, Microcrystalline Cellulose.

## GCO

GCO is formulated with nutrients and herbs — including astaxanthin, berberine HCL, cassia bark, and Masson pine bark — to support existing healthy blood sugar levels, metabolism, cardiovascular health, and digestive function.\*

The addition of Carbon Technology supports cellular renewal, repair, and energy production, as well as healthy mitochondrial function.\*

### Supplement Facts

Serving Size 1 Capsule  
Servings Per Container 90

	Amount Per Serving	% DV
Chromium (as Chromium Polynicotinate)	5 mcg	14%
<b>GCO Blend</b>	530 mg	†
Berberine HCl ( <i>Berberis aristata</i> ) (root), Cassia Bark ( <i>Cinnamomum cassia</i> ), Masson Pine Bark Extract ( <i>Pinus massoniana</i> ), BioActive Carbon® Technology BC1 [Humic Shale (containing Fulvic Acid)], Astaxanthin ( <i>Haematococcus pluvialis</i> )		

† Daily Value (DV) not established.

Other Ingredients: Vegetable Cellulose (Capsule), Organic Gum Blend (Gum Arabic, Tapioca, Guar Gum), Microcrystalline Cellulose, L-Leucine, Silica.

## IFC™

IFC supports the body's natural defenses and helps protect against everyday stressors. Eleven herbs and botanicals — including astaxanthin, blueberry, bromelain, mulberry, and wheatgrass — team up to support the body's natural detoxification processes and promote system balance.\*

### Supplement Facts

Serving Size 2 Capsules  
Servings Per Container 60

Amount Per Serving	
<b>IFC Blend</b>	1,020 mg†
Pomegranate Fruit Extract ( <i>Punica granatum</i> ), Olive Leaf Extract ( <i>Olea europaea</i> ), Artichoke Leaf Extract ( <i>Cynara scolymus</i> ), Acai Fruit Extract ( <i>Euterpe oleracea</i> ), Bromelain (from pineapple), L-Citrulline, Mulberry Leaf Extract ( <i>Morus alba</i> ), Broccoli Sprout Extract ( <i>Brassica oleracea</i> ), Wheat Grass ( <i>Triticum aestivum</i> ), Blueberry Fruit Extract ( <i>Vaccinium corymbosum</i> ), Astaxanthin (from <i>Haematococcus pluvialis</i> ), BioActive Carbon® Technology BC1 [Humic Shale (containing Fulvic Acid)]	

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule), Microcrystalline Cellulose, Silica, L-Leucine.

## Metabolic Activator

This one-of-a-kind liquid formula supports hormonal function, including sex hormones, glucose metabolism and the conversion of thyroid hormones (T4 to T3).\* Metabolic Activator can assist in upregulating production of cyclic AMP (cAMP), aid healthy antioxidant balance, and support healthy weight management.\*

Metabolic Activator combines iodine with Coleus forskohlii extract, selenium, potassium iodide, riboflavin, and molybdenum, which work synergistically to support thyroid and metabolic activity.\*

## S-TRO

S-TRO contains a proprietary blend of adaptogenic herbs — including ashwagandha root, astragalus root extract, maca root, Masson pine pollen, and turmeric root — to support healthy estrogen and testosterone levels in both men and women.\*

Hormone imbalances are common amongst men and women today. Adaptogenic herbs help the body “adapt” and adjust to changes or fluctuations to maintain optimal balance.\* The nutrients found in these herbs, combined with extracts of fulvic acid, support the body’s natural ability to detoxify.\*

**Supplement Facts** Servings: 240  
**Serv. size:** 5 Drops (0.25mL), Amount per serving: Riboflavin (Vitamin B2) 0.15 mg (12% DV), Iodine (as Potassium Iodide, Elemental Crystal Iodine) 250 mcg (167% DV), Molybdenum (as Molybdenum Chelate) 5 mcg (11% DV), Selenium (as L-Selenomethionine) 6.25 mcg (11% DV), **Metabolic Activator Blend** (Coleus Forskohlii Extract [10% Standardization of Forskolin], BioActive Carbon® Technology BC1 [Humic Shale (containing Fulvic Acid)]) 5 mg

Other Ingredients: Vegetable Glycerin, Distilled Water.

## Supplement Facts

Serving Size 2 Capsules  
 Servings Per Container 60

### Amount Per Serving

<b>S-TRO Blend</b>	990 mg†
Masson Pine Pollen ( <i>Pinus massoniana</i> ), Ashwagandha Extract ( <i>Withania somnifera</i> ) (root), Turmeric Extract ( <i>Curcuma longa</i> ) (rhizome), Maca Root ( <i>Lepidium meyenii</i> ), Astragalus Extract ( <i>Astragalus membranaceus</i> ) (root), Vitamin B1 (as Benfotiamine), Cyperus Root ( <i>Cyperus rotundus</i> ), BioActive Carbon® Technology BC1 (Humic Shale [containing Fulvic Acid])	

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule).

## ME Support

ME Support is a liquid tincture that combines traditional herbal remedies with BioActive Carbon® Technology to nurture the limbic system – the brain’s central hub for processing emotions and stress.\*

Formulated with chamomile flowers and lavender buds renowned for their ability to encourage relaxation, calmness, clarity, and improved sleep, ME Support can help patients optimize their emotional resilience and equilibrium – leading to improved health in every aspect.\*

These therapeutic herbs combined with BioActive Carbon® Technology (our proprietary blend of fulvic acids) offer a mineral-rich, highly bioavailable formula for patients who are navigating the complex emotional challenges and stressors of the modern world.\*

### Supplement Facts

Serving Size 1 mL (About 20 Drops)  
Servings Per Container About 60

#### Amount Per Serving

<b>ME Support Blend</b>	205 mg†
Chamomile Flower ( <i>Matricaria chamomilla</i> ), Lavender Bud ( <i>Lavendula spp.</i> ), BioActive Carbon® Technology BC1 [Humic Shale (containing Fulvic Acid)]	

† Daily Value (DV) not established.

Other Ingredients: Purified Water, Organic Cane Alcohol.

# Immune Support

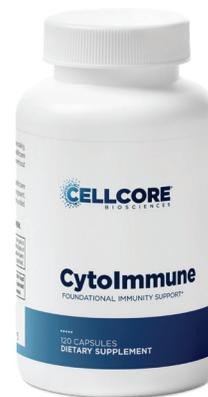

## CardioImmune

This one-of-a-kind formula was meticulously developed with eight antioxidant-rich herbs scientifically backed to support normal blood flow and viscosity, cardiovascular function, and immunomodulation.\* Ideal for those facing and recovering from modern-day health challenges, it offers a dual-action approach to support heart health and immune function.\*

CardioImmune includes nattokinase, yarrow root, stinging nettle leaf, Isatis root extract, Danshen root, cayenne pepper fruit, wormwood, and cat's claw bark extract. These ingredients work synergistically to support normal inflammatory responses and the body's natural ability to neutralize free radicals and reduce oxidative stress.\*

## CytolImmune®

A well-rounded, ideal solution for a healthy immune and inflammatory response year-round, CytolImmune can be taken at the early onset of symptoms, for seasonal immune support, and during periods where immunity may be weakened – such as when traveling or experiencing stress.\*

This cutting-edge formula features eight herbs that work synergistically to support an effective immune system and inflammatory response, as well as the respiratory system and healthy breathing in the face of modern-day health challenges.\* It also aids energy production and stamina, gentle detoxification, and cognitive health during periods of weakened immunity.\*

### Supplement Facts

Serving Size 1 Capsule  
Servings Per Container 60

#### Amount Per Serving

<b>CardioImmune Blend</b>	500 mg†
Yarrow (stem, leaf, root), Stinging Nettle Leaf Extract, Nattokinase (20,000 FU/g), Isatis Root Extract, Red Sage ( <i>Dan Shen</i> ) Root Extract, Cayenne Pepper (fruit), Sweet Wormwood ( <i>Artemisia annua</i> ) (stem, leaf), Cat's Claw Bark Extract, BioActive Carbon® Technology BC1 [Humic Shale (containing Fulvic Acid)]	

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule), Calcium Carbonate, Silica, Leucine Complex.

### Supplement Facts

Serving Size 2 Capsules  
Servings Per Container 60

#### Amount Per Serving % DV

Calcium (as Calcium Carbonate)	100 mg	8%
Magnesium (as Magnesium Malate Complex)	15 mg	4%

<b>CytolImmune Blend</b>	730 mg	†
Black Cumin Seed ( <i>Nigella sativa</i> ), Cordyceps Extract ( <i>Cordyceps sinensis</i> ), Neem Leaf ( <i>Azadirachta indica</i> ), Horsetail Extract ( <i>Equisetum arvense</i> ) (whole plant), Gymnema Leaf Extract ( <i>Gymnema sylvestri</i> ), Quercetin Dihydrate (from <i>Sophora japonica</i> flower), BioActive Carbon® Technology BC2 [Humic Shale (containing Fulvic Acid), Citric Acid], Raspberry Leaf ( <i>Rubus idaeus</i> ), Celery Seed ( <i>Apium graveolens</i> )		

† Daily Value (DV) not established.

Other Ingredients: Vegetable Cellulose (Capsule),

## Para 1®

Para 1 is our flagship immune and digestive support supplement, made from 100% pure mimosa pudica seed.\* Naturally gelatinous, Para 1 becomes jelly-like and sticky as it makes its way through the GI tract. This encourages the removal of occasional intestinal buildup, supports the gut microbiome, and promotes the body's natural ability to detoxify.\*

## Para 2®

Para 2 is formulated with a variety of herbs to support immunity and the gut microbiome, as well as assist the body's natural ability to detoxify.\* Amla fruit, clove bud, holarrhena bark, neem leaf, and vidanga fruit team up to aid digestion, support bowel regularity, and help maintain a healthy gut bacterial balance.\* Para 2 is gentle on the system and safe to take at any time for digestive support.\*

### Supplement Facts

Serving Size 2 Capsules  
Servings Per Container 60

#### Amount Per Serving

Sensitive Plant Seed ( <i>Mimosa pudica</i> )	900 mg†
--	---------

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule).

### Supplement Facts

Serving Size 2 Capsules  
Servings Per Container 60

#### Amount Per Serving

<b>Para 2 Blend</b>	1,000 mg†
Vidanga ( <i>Embelia ribes</i> ) (fruit), Amla ( <i>Emblica officinalis</i> ) (fruit), Neem ( <i>Azadirachta indica</i> ) (leaf), Kutaj ( <i>Holarrhena antidysenterica</i> ) (bark), Chebulic Myrobalan ( <i>Terminalia chebula</i> ) (fruit), Belleric Myrobalan ( <i>Terminalia bellerica</i> ) (fruit), Clove ( <i>Syzygium aromaticum</i> ) (bud), BioActive Carbon® Technology BC1 [Humic Shale (containing Fulvic Acid)]	

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule), Acacia Gum, L-Leucine, Microcrystalline Cellulose, Silica.

## Para 3®

A blend of seven herbs — including clove, black walnut hull, and holy basil — works together to support the body’s natural detoxification processes and gut microbiome.\*

As one of our most potent detoxification support supplements, Para 3’s liquid tincture format allows the ingredients to be absorbed more rapidly and gives patients complete control over dosing to match their comfort levels.

### Supplement Facts

Servings: 113 **Serv. size:** 0.52 mL (About 25 Drops), Amount per serving: **Para 3 Blend** [Thyme (Leaf), Sage (Leaf), Tansy (Stem, Leaf, Flower), Epazote (Leaf), Black Walnut (Hull), Holy Basil (Leaf), Clove (Bud)] 0.52 mL

Other Ingredients: Organic Cane Alcohol.  
**Contains Walnut**

## Para 4®

Para 4 is a blend of 11 potent herbs known for supporting digestion, detoxification, and immunity - including extracts of celery seed, cordyceps sporocarp, holy basil stem and leaf, horse tail, noni root and stem, and sarsaparilla root\*

Together, these herbs help promote a balanced gut microbiome and red blood cell production, which supports energy production and balances oxygen levels in the body.\*

With sensitive individuals in mind, Para 4 is formulated without black walnut hulls, which is a common ingredient found in many immune-boosting supplements.\*

### Supplement Facts

Serving Size 2 Capsules  
Servings Per Container 60

#### Amount Per Serving

<b>Para 4 Blend</b>	950 mg†
Noni Fruit Extract ( <i>Morinda citrifolia</i> ), Wireweed Extract ( <i>Sida acuta</i> ) (rhizome), Holy Basil Extract ( <i>Ocimum sanctum</i> ) (leaf, stem, root), Sarsaparilla Root Extract ( <i>Smilax officinalis</i> ), Isatis Root Extract ( <i>Isatis indigotica</i> ), Grape Seed Extract ( <i>Vitis vinifera</i> ), Black Cumin Seed ( <i>Nigella sativa</i> ), Raspberry Seed ( <i>Rubus idaeus L.</i> ), BioActive Carbon® Technology BC2 [Humic Shale (containing Fulvic Acid), Citric Acid], Celery Seed ( <i>Apium graveolens</i> ), Horsetail Extract ( <i>Equisetum arvense</i> ) (leaf, stem, root), Cordyceps Extract ( <i>Cordyceps sinensis</i> )	

† Daily Value not established.

Other Ingredients: Vegetable Cellulose (Capsule), Microcrystalline Cellulose, L-Leucine, Silica.

## IS-BAB

This team of 15 botanicals and adaptogenic herbs — including black walnut hulls, devil’s claw root, milk thistle seed, Japanese knotweed, white willow bark, and wormwood — is designed to nurture the immune system, promote energy production, and support the body’s natural detoxification processes.\*

This blend can also help support the integrity of red blood cells in the body, which makes it ideal for maintaining everyday wellness.\*

The liquid tincture format promotes faster absorption and maximum potency, as well as allows for customized dosing. As a concentrated tincture, IS-BAB has higher potency than capsules.

### Supplement Facts

Serving Size 2 mL (About 82 Drops)  
Servings Per Container About 59

#### Amount Per Serving

<b>IS-BAB Blend</b>	2 mL†
Sweet Wormwood Stem & Leaf, Wormwood Leaf, Pau D’arco Bark, Black Walnut Hull, White Willow Bark, Teasel Root, Japanese Knotweed Rhizome & Root, Astragalus Root, Milk Thistle Seed, Horsetail Stem & Leaf, Devil’s Claw Root, Boneset Stem & Leaf, Forskohlii Root, Yellow Dock Root, Red Root Root	

† Daily Value not established.

Other Ingredients: Purified Water, Organic Cane Alcohol.

**Contains Walnut**

## IS-BART

Maintain your existing immune defenses with this tincture of seven adaptogenic herbs and botanicals, including black walnut hulls, cilantro leaf, milk thistle seed, suma root (Brazilian ginseng), and sweet Annie plant (sweet wormwood).\* Together, these ingredients support the body’s natural immune defenses and detoxification processes, while aiding energy production.\*

As a concentrated tincture, IS-BART has higher potency than capsules.

### Supplement Facts

Serving Size 2 mL (About 82 Drops)  
Servings Per Container About 59

#### Amount Per Serving

<b>IS-BART Blend</b>	2 mL†
Suma Root, Black Walnut Hull, Sweet Wormwood Stem & Leaf, Boneset Stem & Leaf, Cilantro Leaf, Oregano Leaf, Milk Thistle Seed	

† Daily Value not established.

Other Ingredients: Purified Water, Organic Cane Alcohol.

**Contains Walnut**

## IS-BOOST™

IS-BOOST combines a blend of 14 herbs, including cilantro leaf, dandelion root, licorice root, oregano leaf, pau d'arco bark, and thyme leaf. Together, these herbs support healthy bile flow, immunity, optimal digestive function, and the body's natural detoxification processes.\*

As a concentrated tincture, IS-BOOST has higher potency than capsules.

### Supplement Facts

Serving Size 2 mL (About 82 Drops)  
Servings Per Container About 59

#### Amount Per Serving

<b>IS-BOOST Blend</b>	2 mL†
Black Walnut Hull, Japanese Knotweed Root, Dandelion Root, Boneset Stem & Leaf, Suma Root, Clove Bud, Oregon Grape Root, Thyme Leaf, Licorice Root, White Oak Bark, Jamaica Quassia Bark, Oregano Leaf, Pau D'arco Bark, Cilantro Leaf	

† Daily Value not established.

Other Ingredients: Purified Water, Organic Cane Alcohol.

**Contains Walnut**

## IS-BORR

This team of 24 botanicals — including black walnut hulls, cat's claw bark, eleuthero root, nettle leaf, turmeric root, white willow bark, wormwood, and several adaptogenic herbs — is designed to encourage a healthy immune response, nurture the immune system, promote energy production, and support the body's natural detoxification processes.\*

The liquid tincture format promotes faster absorption and maximum potency, as well as allows for customized dosing. As a concentrated tincture, IS-BORR has higher potency than capsules.

For those who are sensitive, it's recommended to start with a low dose, gradually working up to the recommended daily dose.

### Supplement Facts

Serving Size 2 mL (About 82 Drops)  
Servings Per Container About 59

#### Amount Per Serving

<b>IS-BORR Blend</b>	2 mL†
Sweet Wormwood Stem & Leaf, Japanese Knotweed Root, Milk Thistle Seed, Wormwood Leaf, Burdock Root, Black Walnut Hull, Teasel Root, Yellow Dock Root, Devil's Claw Root, Turmeric Root, White Willow Bark, Eleuthero Root, Boneset Stem & Leaf, Sheep Sorrel Stem & Leaf, Cat's Claw Bark, Horsetail Stem & Leaf, Cranesbill Root, Hawthorn Berry, Buckthorn Bark, Stinging Nettle Leaf, Pau D'arco Bark, Astragalus Root, Slippery Elm Bark	

† Daily Value not established.

Other Ingredients: Purified Water, Organic Cane Alcohol.  
**Contains Walnut**
